

SecondConf

A very quick summary of my favorite talks.

- Just a few favorite talks
- Just a few highlighted points from those talks

Design Considerations for Educational Apps

Fraser Speirs

Design Considerations for Educational Apps

- Avoid in-app purchase.
- Be careful with Location Services.
- Don't assume the internet works well or quickly.
- AirPlay for demoing

Practical Magic: Using Bluetooth Low Energy To Enhance User Experience

Bob Kressin

Highlight: iBeacon

- Micro-location
- Know when you are near a planted iBeacon
- Mapping inside venues:
 - Trade shows
 - Sports arenas

Teaching Children to Program

Two talks: Julia Elman and Saul Mora

Teen Tech Camp

- Julia Elman
- Program using Python on a Raspberry Pi
- juliaelman.com

iKidsConf

- Saul Mora
- Learn to program during a week at Disneyland
- Targets kids ages 6-10
- register.ikidsconf.com
